## Bodyjar

Hey, I've thrown it all away, I've pushed it down  
And I know it won't come back 'cause I broke the life I had  
Now, I've thought it through for now and I don't think  
That a change at all today would make sense in anyway Thinking over what you said, it's over and it's over  
Now I know this time that I've crossed the line Hey, I guess I can't complain for what I've done  
'Cause it's served me up till now and it'll all work out somehow  
Now I know I've made mistakes, I've sat around  
And I've wished that everyday was the last day Thinking over what you said, it's over and it's over  
Now I know this time that I've crossed the line, line
