

Drowned And Torn Asunder

Trivium

Force feed them your ways
Dictate up a blinded swarm
Society's afraid Declaration of rebellion
We will not stand defeat
Deconstructing their hold
Our vengeance will be tenfold (Chorus)
Our enemy will be drowned
The opposing torn asunder Take all your lives back
Arson all they create
The time is now to lead the battle Declaration of rebellion
We will not stand defeat
Deconstructing their hold
Our vengeance will be tenfold (Chorus) Deconstructing their hold
Our vengeance will be tenfold (Chorus) x2
