We Made It

Born Ruffians

Got a deal
Sign it real quick
I didn't read it, no
Didn't think twice
Bad advice
I didn't need it, no
I said, "Hand me a Bic"
I'll write a little lick, uh-huh
About my feelings, yeah
I said, "One day, I'm gonna make it"
One day, I'm gonna make it
One day, I'm gonna make it
Fake it until I make it
We got the rest of our lives
We'll give all we can
We got the rest of our lives
We'll give all we can
How's it feel
To be a big deal?
I saw you made it, yeah
Now, keep it light
That's alright
Don't see no lettuce coming out of your pockets, no
One day, you're gonna make it
One day, you're gonna make it
One day, you're gonna make it
Fake it until you make it
We got the rest of our lives
We'll give all we can
We got the rest of our lives
We'll give all we can
How's it feel?
How you dealing?
[?], huh
Well, that's life
It kinda rolls by
It happens to you
'Til it's not
One day, we're gonna make it

One day, we're gonna make it
One day, we're gonna make it
Fake it until we make it
We got the rest of our lives
We'll give all we can
We got the rest of our lives
We'll give all we can
