

A Lonely Night

The Weeknd

[Intro]

Gangster, yeah, yeah

Hey, na-na-na-na-na-na, hey[Verse 1]

Why would you wanna bring somethin' between us

There's nothin' between us, oh, ay

Why would you wanna use a life to keep us

To keep us together, uh, oh-oh[Hook]

Better when we're both apart, better when we're both apart

We're no good for each other, no good for each other

Better when we're both apart, better when we're both apart

We're no good for each other[Bridge]

A lonely night, baby girl I loved you on a lonely night, oh

It was the only time and if I led you on then I apologize, oh[Verse 2]

How can I make you rethink your decision?

Unruly decision, oh

Hey, what's gonna make you rethink your position?

I know your intentions, oh-oh[Hook]

Better when we're both apart, better when we're both apart

We're no good for each other, no good for each other

Better when we're both apart, better when we're both apart

We're no good for each other[Bridge]

A lonely night, baby girl I loved you on a lonely night, oh

It was the only time and if I led you on then I apologize, oh[Interlude]

Baw-baw-baw-baw-baw-baw-baw[Hook]

Better when we're both apart, better when we're both apart

We're no good for each other, no good for each other

Better when we're both apart, better when we're both apart

We're no good for each other[Interlude 2]

Hey, da-da-da-da

Da-da-da-da, oh-oh[Bridge]

A lonely night, baby girl I loved you on a lonely night, hey

It was the only time and if I led you on then I apologize, oh

A lonely night, baby girl I loved you on a lonely night, oh

It was the only time and if I led you on then I apologize, oh[Outro]

Baby girl I loved you

Know I loved you

Know I loved you

Baby, na-na-na-na-na-na-na-na-na-na, ay
