Satin Sheets

Tammy Wynette

Satin sheets to lie on satin pillows to cry on still I'm not happy don't you see
Big long Cadillac tailor made upon my back still I want you to set me free
I found another man who can give the more you can
Though you've given me everything money can buy
But your money can't hold me tight like he does on a long long night
You know you didn't keep me satisfiedSatin sheets to lie on
Satin sheets to lie onWe've been through thick and thin together braved the fair and stormy weather
We've had all the hard times you and I
And now that I'm a big success you called today and you confused
And told me things that make me want to die
You told me there's another man who can give more than I can
And I've given everything that cash will buy
You can buy me a peaceful night with loving arms around me tight
And you're too busy to notice the hurt in my eyes
