

# Everytime I Think About You

[Rick Nelson](#)

Every time I think about you I get so mad  
I just can't get along without you though you treat me so bad  
Yes, you're the meanest gal I know  
Should be glad to see you go but I'll get blue Every time I think about you, oh yeah  
How can I start with somebody new  
When I just can't stop loving you  
You've got your spell on me, I'll never be free, oh oh no Every time I think about you, tears fall like rain  
Gotta have my arms around you though you just bring me pain  
That's why can't 'spite of all you've done  
Snap your fingers and I'll run 'cause I get blue Every time I think about you, oh yeah  
How can I start with somebody new  
When I just can't stop loving you  
You've got your spell on me, I'll never be free, oh oh no
