Meaningless Meeting

Adaline

Wait for the lighing to dim just slightly.
My eyes are inviting you into this scene.
Wait for the moment when judgement is faulted.
Your mind-set insulted, each time that you breathe.

I can lie to myself.
I can lie to myself.
I can be what you want me to be.
I can make myself feel what I want to believe.

I am free.
I am free.
I am free.

Ooh, I love when I wanna
And use who I wanna.
This skin that I'm growing feels scarily thin.

Shame like no other.
There's blood in the water.
This love has uncovered the dark side of me.

I can lie to myself.
I can lie to myself.
I can be what you want me to be.
I can make myself feel what I want to believe.

I am free.
I am free.
I am free.

Ooh, a kiss without feeling.
You stare at the ceiling.
This meaningless meeting feels oddly serene.
Cause here you can't touch me, or make me feel lonely.
It's here I find comfort; a place I can sleep.

(x2)
I can lie to myself.

I can lie to myself.
I can be what you want me to be.
I can make myself feel what I want to believe.

I am free.
I am free.
I am free.
