Burning Our Bed

Alice Cooper

Baby, don't you shed a tear for me
I wouldn't wanna waste your time
You talked a lot of trash and ya lied to me
But babe, you never even triedOh, oh, oh
You can hold my heart for ransom
But you'll never own my soulBaby, I might lose my mind
Maybe I might lose my head
One thing I'll never do
Is swallow my pride comin back to you
Baby, I'm burning our bed
There used to be a time when you were everything
My flame through the night
You got me hot
And then you blew me out
Like this match I'm about to lightOh, oh, oh
You can tear my heart to pieces
Leave me standing in the coldBaby, I might lose my mind
Maybe I might lose my head
One thing I gotta do
Is toss those sheets and pillows too
Baby, I'm burning our bedWell, I used to think your were so kind
How could I be so blindOh, oh, oh
I'm free
But I'm alone
Baby, I might lose my mind
Maybe I might lose my head
But one thing I'll never do
Is swallow my pride comin back to you
Baby, I'm burning our bedSometimes a man can bleed
Baby, I'm burning our bedBaby, I might lose my mind
Maybe I might lose my head
But one thing I'll never do
Is swallow my pride comin back to you
Baby, I'm burning our bed
