Suburban Kids with Biblical Names

I'm going back to the place I was born
My favorite hood
Hallelujah!
I believe I've found what I came here for
I used to roam the streets on skateboards with cheap beer
A little punk
Hallelujah!

Found my old accordion
Used to play it in the sun
Went for a snack and a bottle of wine
Didn't do that much
My life defined
All my friends are guitarists
And we know how to have fun
Watching the kids build the tents outside
Got me thinking about the times

I'm going back to the place I was born
My favorite hood
Hallelujah!
I believe I've found what I came here for
I used to roam the streets on skateboards with cheap beer
A little punk
Hallelujah!

And the tags are still there
Meat is murder and pavement
I used to wonder when I went for a walk
If they meant pavement the band
Or if it was just coincidence
