

# Mannequin

## Grand Theft Bus

He's the mannequin of your dreams, you designed him  
Nothing will stand in your way  
A punch in the heart won't tear him apart  
Neither will the things they say 'Cause he's a beggar, lover believer  
You are just an innocent reader He's the mannequin of your dreams, step inside him  
Look at the world his way  
Laughter is loud from the fool in the crowd  
You'll crack his smile one day Every dream must follow where we go  
Don't let them shatter your ego Ooh, mannequin, lover mannequin, my lover mannequin, whoa  
Ooh, mannequin, lover mannequin, my lover mannequin, whoa I gave you just a bit of my time  
You lied and you committed a crime  
To present my feelings with shallow meanings  
How could you tear me apart? I ain't true  
Listen to what I'm telling you He's the mannequin of your dreams, you denied him  
Laughter and political sway  
People are sweet but the primitive beat  
Is always getting in my way I can give you nothing but me though  
It isn't what you want to see, oh Ooh, mannequin, lover mannequin, my lover mannequin, whoa  
Ooh, mannequin, lover mannequin, my lover mannequin, whoa  
Ooh, mannequin, lover mannequin, my lover mannequin, whoa
