Peggy Sue Got Married

Buddy Holly

Please don't tell, no, no, no
Please don't tell I told you so
I just heard a rumor from a friendI don't say that it's true
I'll just leave that up to you

If you don't believe, I'll understandDo you recall a girl that's been in nearly every song?

This is what I heard. of course, the story could be wrongShe's the one, I've been told

'Cause she's wearing that band of gold

Peggy sue got married not long agoDo you recall a girl that's been in nearly every song?

This is what I heard. of course, the story could be wrongShe's the one, I've been told

'Cause she's wearing that band of gold

Peggy sue got married not long agoPeggy sue got married not long ago
Peggy sue got married not long ago
Peggy sue got married not long ago
Peggy sue, she got married not long ago
