

How Deep Is Your Love

[Donny Osmond](#)

I know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again And you come to me on a summer breeze
Keep me warm in your love and then softly leave
And it's me you need to show
How deep is your love? How deep is your love? How deep is your love?
I really need to learn
'Cause we're living in a world of fools breakin us down
When they all should let us be, we belong to you and me I believe in you
You know the door to my very soul
You're the light in my deepest, darkest hour
You're my savior when I fall And you may not think I care for you
When you know down inside that I really do
And it's me you need to show
How deep is your love? How deep is your love? How deep is your love?
I really need to learn
'Cause we're living in a world of fools breakin us down
When they all should let us be, we belong to you and me And you come to me on a summer breeze
Keep me warm in your love and then softly leave
And it's me you need to show
How deep is your love? How deep is your love? How deep is your love?
I really need to learn
'Cause we're living in a world of fools breakin us down
When they all should let us be, we belong to you and me How deep is your love? How deep is your love?
I really need to learn
'Cause we're living in a world of fools breakin us down
When they all should let us be, we belong to you and me How deep is your love? How deep is your love?
How deep is your love?
How deep is your love? How deep is your love?
How deep is your love?
