## **How Deep Is Your Love**

## **Donny Osmond**

I know your eyes in the morning sun

I feel you touch me in the pouring rain

And the moment that you wander far from me

I wanna feel you in my arms againAnd you come to me on a summer breeze

Keep me warm in your love and then softly leave

And it's me you need to show

How deep is your love? How deep is your love? How deep is your love?

I really need to learn

'Cause we're living in a world of fools breakin us down

When they all should let us be, we belong to you and meI believe in you

You know the door to my very soul

You're the light in my deepest, darkest hour

You're my savior when I fallAnd you may not think I care for you

When you know down inside that I really do

And it's me you need to show

How deep is your love? How deep is your love? How deep is your love?

I really need to learn

'Cause we're living in a world of fools breakin us down

When they all should let us be, we belong to you and meAnd you come to me on a summer breeze

Keep me warm in your love and then softly leave

And it's me you need to show

How deep is your love? How deep is your love? How deep is your love?

I really need to learn

'Cause we're living in a world of fools breakin us down

When they all should let us be, we belong to you and meHow deep is your love? How deep is your love?

I really need to learn

'Cause we're living in a world of fools breakin us down

When they all should let us be, we belong to you and meHow deep is your love? How deep is your love?

How deep is your love?

How deep is your love? How deep is your love?

How deep is your love?
