Fix My Heart (Again)

Joey Devries

I don't wanna wake up again without you there
cause waking up with you is all that I ever cared about
can we just forget all about the stupid arguments
cause I didn't mean a single word I said.Endless tossing turning
keeps the fire burning
I guess that this is what I getYou were the glue that kept me together
You were the one that saved me forever
Now I'm left here, falling apart
Wont you come back and fix my heart againI was a fool I know I don't deserve it
just give me chance, I promise I'll be worth it.
Can't you see that I'm falling apart
only you can fix my heart againI really miss us hanging around with all our friends
the way that you'd laugh and you'd joke and I'd hold your hand.I can barely remember the sound of your voice
I know I was wrong and I made my choice
If you let me in I can prove i'm a different manEndless tossing turning
keeps the fire burning
I guess that this is what I getYou were the glue that kept me together,
You were the one that saved me forever
Now I'm left here, falling apart
Wont you come back and fix my heart againI was a fool I know I don't deserve it, just give me chance
I promise I'll be worth it.
Can't you see that I'm falling apart
only you can fix my heart againoh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh...
(Fix my heart again) oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh(Can't you see that I'm falling apart)
wont you come back and fix my heart again
Endless tossing turning
keeps the fire burning
I guess that this is what I getYou were the glue that kept me together,
You were the one that saved me forever
Now I'm left here, falling apart
Wont you come back and fix my heart againI was a fool I know I don't deserve it, just give me chance
I promise I'll be worth it.
Can't you see that I'm falling apart
only you can fix my heart againoh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh... (Oh yeah, fix my heart again) oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh
Only you can fix my heart again.
