She's a Creeper

River Ratts

ohhh
have to bite my lip to get a creep
just one look and she gets me stiff
i forget it all with the smell of her scent,
she leaves me numb in all of it
she's dangerous bitch deceitful in my eyes
i lay
when i see her, she's as wide by the way the foundation
when life can be a vacation
Y cuando salgo con ella regreso tarde
cuando salgo con ella regreso sin amor
cuando salgo con ella regreso sin dinero
She's a creeper
hay le va
hay le va
puro vicio y todo mal
i bite my lip to get a creeper
i bite my lip to get a grip because one look at her and she gets me stiff
she leaves me numb in all of it
she's dangerous
Bitch deceitful my eyes i lay
when i see her presence always clouds up my thoughts
but for me she don't give a fuck
cuando salgo con ella regreso tarde
cuando salgo con ella regreso sin amor
cuando salgo con ella regreso sin dinero
She's a creeper!!!
She'll rob your mind
and i know
she is no, good for me
Yeah
ohhh
No
She's no good for me
She's a creeper
I'd like to fuck
No she's no good for me
she's a creeper I got to keep on, oh no
Yeah

hay le va
hay leva
y mira
hay le va
con puro vicio y tiene puro sound
hay le va
hay le va con puro vicio y puro sound yeah
ohhh
