

# Over My Head

## Alabama Shakes

I'm in over my head, I don't think of you  
And bits and pieces, I think of you only like a miracle  
Lovin' so deeply, I feel it through all my past lives  
It feels good, I'm never saying goodbye  
It feels good, I'm never saying goodbye I'm in over my head, over my head  
I'm in over my head, over my head Silence, they explain it to me  
There's no joy I can take with no one worth waiting  
Here for now, but not for long  
Whether my mind slipped away, explain that to me I'm in over my head  
Loving so deeply, I'm in over my head  
I'm in over my head  
Loving so deeply, I'm in over my head  
I'm in over my head  
Loving so deeply, I'm in over my head  
I'm in over my head  
Loving so deeply, I'm in over my head  
I'm in over my head  
Loving so deeply, I'm in over my head Loving so deeply, I'm in over my head
