The World Is Watching (with Valentina)

Two Door Cinema Club

Everyone is here except for me
And I can feel the world is watching
Who is on their own I wonder
And who has cast this spell I'm underI want you with me
I want you with meLook into your heart are you happy
You could be the one to set me free
And with your hand in mine we will walk
To a place that knows no oneI want you with me
I want you with me
I want you with meI wont forget the things you said
That's dancing and singing inside my head
You've always known your not aloneI want you with me
I want you with me
I want you with me
I want you with me
