Perfect World

Laura Izibor

It's not what you have that makes me love you
Clothes that you're wearing don't mean nothing
Money in your pocket can't buy me
And your love, I thought it was for freeIn a perfect world, baby
I would've found you long ago
But I'm willing and ready
To give you my all love, don't you know
Oh, what I'm feeling, something real
Baby, don't you knowyou're all I needIt's not what you do that makes me want you
If you're happy, I am too
Not the people that you're with 'cause I'm with you
Baby, don't you know love shines through it allIn a perfect world, baby
I would've found you long ago
But I'm willing and ready
To give you my all love, don't you know
Oh, what I'm feeling, something real
Baby, don't you know you're all I needFeels like I've been in a slumber
Now I've woken
Which feels like I've never said a word
Now I've spoken
'Cause baby, you set me freeIn a perfect world, baby
I would've found you long ago
But I'm willing and ready
To give you my all love, don't you know
Oh, what I'm feeling, something real
Baby, don't you know you're all I needIn a perfect world, baby
I would've found you long ago
But I'm willing and ready, oh I, oh I
Oh, I'm ready
I would've found you, ooh baby
In a perfect world I would've found you
