

# The Devil In I (Neomind remix)

## Slipknot

Undo these chains my friend  
I'll show you the rage i've hidden  
Perish the sacrament  
Swallow, but nothing forgiven  
You and I can't decide which of us was taken for granted  
Make amends  
Some of us are destined to be outlivedStep inside, see the devil in I  
Too many times, we've let it come to this  
Step inside, see the devil in I  
You'll realize i'm not your devil anymoreUnder the words of men  
Something is tempting the father  
Where is your will my, friend?  
Insatiates never even bother  
You and I, wrong or right  
Traded a lie for the leverage  
In between the lens in light  
You're not what you seemStep inside, see the devil in I  
Too many times, we've let it come to this  
Step inside, see the devil in I  
You'll realize i'm not your devil  
I'm not your devil anymore  
Your station is abandoned  
Fool you 'cause I know what you've done  
Sensation depravation  
You should've burned when you turned on everyone
