HARD LOVE

NEEDTOBREATHE

Trading punches with the heart of darkness
[?] fear and [guard it?]
never know until it's stripped away
the thought of you has got a diamond chainin the morning you gon' need an answer
ain't no body gonna change the standard
it's not enough to just feel the flame
you got to burn your old self awayhold on tight a little longer
what don't kill you makes you stronger
get back up because it's a hard love
you can't change without a [Fallout?]
it's gon' hurt, but don't you slow down
get back up because it's a hard loveyou know the situation can't be right
and all you ever do is fight
but there's a reason that the road is long
it takes some time to make your courage stronghold on tight a little longer
what don't kill you makes you stronger
get back up because it's a hard love
you can't change without a [Fallout?]
it's gon' hurt, but don't you slow down
get back up because it's a hard lovewhen the wolves come and hunt me down
I will face them all
and stand my ground
there's a fire burnin' deep
they will see my strength
and this love I've foundhold on tight a little longer
what don't kill you makes you stronger
get back up because it's a hard love
you can't change without a [Fallout?]
it's gon' hurt, but don't you slow down
get back up because it's a hard loveIt's a hard love [x8]hold on tight a little longer
what don't kill you makes you stronger
get back up because it's a hard love
you can't change without a [Fallout?]
it's gon' hurt, but don't you slow down
get back up because it's a hard lovebecause it's a hard love
