

# Goodbye Girl

## Go West

Footsteps echo on familiar streets  
Crossing bridges never burned  
I am tired of playing hide and seek  
Is this all that I have learned? Looking for a diamond in the dark  
I was sure you were the one  
You held me spellbound while you made your mark  
Now the damage has been done Goodbye girl, it's a game we play every time we say  
Goodbye girl, you hypnotize  
I can't say goodbye  
I'm afraid when I turn out the light Words you say while you're asleep  
Where you were and what you did last night  
Those are secrets you can keep, yeah Goodbye girl, it's a game we play every time we say  
Goodbye girl, you hypnotize  
I can't say goodbye  
Tied to you blood on the wire Don't you know you've pushed me much too far  
Just who do you think you are  
I can't escape  
Must all roads lead to Rome? Every time I say goodbye, you hypnotize  
Footsteps echo on familiar streets  
Crossing bridges never burned  
I am tired of playing hide and seek  
Is this all that I have learned? Goodbye girl, it's a game we play every time we say  
Goodbye girl, you hypnotize my eyes  
Goodbye girl, it's a game we play every time we say  
Goodbye girl, you hypnotize I can't say goodbye  
Goodbye girl, it's a game we play every time we say  
Goodbye girl, you hypnotize my eyes  
Goodbye girl, it's a game we play every time we say  
Goodbye girl, you hypnotize  
I can't say goodbye
