

It's Working (romans 8:28)

Richard Smallwood

here are times when we're made to cry
And we don't understand
But be encouraged my sister and my brother
For there is one who loves you like no other
He's working it out
On His word we all can stand

Verse 2

All things work together for good
To them that love the Lord
Who are the called according to His purpose
Who are the called according to His purpose
Working together
For them that love the Lord

Chorus

All things work together for good
To them that love the Lord
Who are the called according to His purpose
Who are the called according to His purpose
Working together
For them that love the Lord
(repeat)

Vamp

It's working
It's working
It's working
For my good I know

Ending

It's working
It's working
It's working

Working together
For them that love the Lord
