

I Believe (When I Fall In Love It Will Be Forever)

Art Garfunkel

Shattered dreams, worthless years
Here am I encased inside a hollow shell
Life began, then was done
Now I stare into a cold and empty wellThe many sounds that meet our ears
The sights our eyes behold
Will open up our merging hearts
And feed our empty soulsI believe when I fall in love with you it will be forever
I believe when I fall in love this time it will be foreverWithout despair, we will share
And the joys of caring will not be replaced
What has been must never end
And with the strength we have won't be erasedWhen the truths of love are planted firm
They're only hard to find
And the words of love I speak to you
Will echo in my mindI believe when I fall in love with you it will be forever
when I fall in love this time it will be foreverI believe when I fall in love with you it will be forever
I believe when I fall in love this time it will be forever
I believe when I fall in love with you it will be forever
when I fall in love this time it will be foreverI believe when I fall in love this time it will be forever
I believe when I fall in love with you it will be forever
I believe when I fall in love this time it will be forever
I believe when I fall in love with you it will be forever
