Modern Life

Strike Anywhere

Well you know, they make you want it
When you see it on the TV shows
And maybe then you might buy it
If it makes you feel home and hosedYou want it
You want it
You want it
You want it
Then they try to tell you this is modern lifeYou want it
You want it
You want it
You want it
No, I don't believe this is modern lifeCan't you see that they want us
To be brainwashed into their big schemes
So I can tell, I see sex cells
'Cos it's a common reoccurring themeYou want it
You want it
You want it
You want it
Then they try to tell you this is modern lifeYou want it
You want it
You want it
You want it
Then they try to tell you this is modern lifeBow down to fashion today
If it's gonna help you feel okay
Bow down to fashion today
If it's gonna help you feel the sameBow down to fashion today
If it's gonna help you feel okay
Bow down to fashion today
If it's gonna help you feel the same
