Ohwowowow Lord  
Can't give up the fight  
Until i know the reason why  
Can't give up the struggle  
Since i'm wait in the battle

Can't give up the fight  
Until I know the reason why  
Why should i give up the struggle?  
Since i'm wait in the battle

Eh! I'm Living for the spirit of the great lion  
Living of the spirit of the great lion  
I will give dance 'cause i live  
God is not the God of the death  
But the God the of the living  
Ohwowowo Jah  
Ohwowowo Lord  
You see  
Some give up the fight  
They don't know the reason why  
Some give up the struggle  
They a afraid of the battle  
Some give up the fight  
They don't know the reason why  
Lord I'll keep on the struggle since they get afraid of the battle  
Living for the spirit of the spirit of the great lion  
Living for the spirit of the great lion  
Why no give dance ? 'Cause you live  
God is not the God of the death  
But the God of the living

But the God of the living

Ohowowow lord  
Ohowowow Jah

I won't give up the fight  
'Cause i know the reason why  
I can't give up the struggle  
Since i'm wait of the battle  
Some give up the fight  
They don't know the reason why  
Lord I'll keep on the struggle since they get afraid of the battle

Yeahh i'm living for the spirit of great lion  
Living for the spirit of the great lion  
I will give dance 'cause i live
