

Once in a Very Blue Moon

Mary Black

I found your letter in my mailbox today
You were just checking if I was okay
And if I miss you, well you know what they say
 Just once in a very blue moon
 Just once in a very blue moon
 Just once in a very blue moon
And I feel one coming on soonNo need to ask me if we can be friends
 And help me right back on my feet again
 And if I miss you, well just now and then
 Just once in a very blue moon
 Just once in a very blue moon
 Just once in a very blue moon
And I feel one coming on soonThere's a blue moon shining
 When I am reminded of all we've been through
 Such a blue moon shining
Does it ever shine down on you?You act as if it doesn't hurt you at all
 Like I'm the only one who's getting up from a fall
 Don't you remember now don't you recall
 Just once in a very blue moon
 Just once in a very blue moon
 Just once in a very blue moon
 And I feel one coming on soon
 Just once in a very blue moon
