Still In Love

Vanessa Williams

You look so sorry, please tell me what's wrong
Just what are you thinking you look so forlorn
Maybe you're thinking that I have been untrue
So let me assure you and tell you the truth
I'm not one to fool around
The mistake that I made was not meant to hurt you
I needed somehow to try and find out
How I really felt inside
And I know I'mStill in Love I'm so
Still in Love
I'm gonna be all you want me to be, cause I am
Still in Love ooh
Still in Love yeah
I'm gonna do all you want me to doDon't ask no questions won't tell you lies
It's something that happened in which I can't disguise
I needed somebody to take me away
From feelings of doubt which in my mind delay
But you've always been the one
And there are days when I know I should have told youSo please don't cry
'cause I'm gonna try
To make you believe in me
And I know I'mStill in Love I'm so
Still in Love
I'm gonna be all you want me to doYou must be the one for me
'cause as hard as I try
I just can't you go
So that you know baby
Please, please don't go
'cause you are just all that I need
And I know I'm...Still in Love I'm so,
Still in Love
I'm gonna be all you want me to be, cause I am
Still in Love ooh
Still in Love yeah
I'm gonna do all you want me to do
