

# Don't Deny Your Heart

## Hot Chip

Well you thought you could not go on  
Your bones are just beating like drums at your funeral song  
And your heart has been gone too long  
It's pushing for a drug that will beat it from wrong to wrong  
Don't you know that it's hard?  
Said it's hard for love  
When you feel this but  
But I tried my best to cloak it, in a bind, I'm getting stronger  
Will these womens(?) take this somewhere else  
Somewhere we (?)  
In my heart we're getting stronger and I know where we belong in  
All I wanted was you  
It's our last time to choose  
How are we gonna lie or second guess  
When we cover our eyes and we open our scars  
Are we ready to lay this all to rest[x2]  
Don't deny your heart  
Don't destroy your heart (say y-y-yes)  
You'll see  
We take fun seriously  
Remember to breathe  
My girl you're getting stronger  
Eyes are bright and full of wonder  
Tonight  
If you want to step, I'll step with you  
Walk ahead, walk through  
You'll be grown to soon  
You'll be grown to soon  
What are we gonna do  
Now there's nothing to lose  
How are we gonna move together  
Time you're breathing(?) with me  
Now our bodies agree  
Lose your shackles we must remember[x2]  
Don't deny your heart  
Don't destroy your heart (say y-y-yes)[x2]  
Everything rises up  
Until we are underground  
Walk(?) on me quietly(?)  
Until I can hear a sound
