

# Nothing Compares 2 U

Chris Cornell

It's been seven hours and sixteen days  
Since you took your love away  
I go out every night and sleep all day  
Since u took your love away Since u been gone I can do whatever I want  
I can see whomever I choose  
I can eat my dinner in a fancy restaurant  
But nothing  
Nothing can take away these blues 'Cause nothing compares  
Nothing compares 2 u It's been so lonely without u here  
Like a bird without a song  
Nothing can stop these lonely tears from falling  
Tell me where did I go wrong I can throw my arms around any girl I choose  
But it just reminds me of you  
I went to the doctor and guess what it told me  
He said, boy, you better try to have fun no matter what you do  
But he's a fool 'Cause nothing compares  
Nothing compares to you, hey All the flowers that you planted, mama  
In your back yard  
All died when you went away  
And I know living with me is sometimes hard  
But I'm willing to give it another try 'Cause nothing compares  
Nothing compares to you  
Nothing compares  
Nothing compares to you, to you  
To you
