

Bad Reputation

Shawn Mendes

She's got a bad reputation
She takes the long way home
All of my friends seen her naked
Or so the story goes
Mistakes we are making
But they won't let it go
She's got a bad reputation
I know what they don't I don't care what they say about you baby
They don't know what you've been through
Trust me I can be the one to treat you like a lady
And then see what's underneath
All I need is you She's got a bad reputation
Nobody get's too close
The sight of a soul when it's breaking
Me and my heart broke oh The deeper she's sinking
I'm begging her please don't let go
She's got a bad reputation
She's all I want though And I don't care what they say about you baby
They don't know what you've been through
Trust me I could be the one to treat you like a lady
And let me see what's underneath
All I need is you Ah ah ah
Ah ah ah
Ah ah ah
Ohh
Ah ah ah
Ah ah ah
Ah ah ah
Ohh Nobody know's the way that I notice it
Nobody know's the way that time has shown us it
Nobody know's the way that I've noticed it
She got it bad
She got it bad
Nobody know's the way I notice it
Nobody knows the way that time has shown us it
Nobody know's the way that I notice it
She got it bad
She got it bad And I don't care what they say about you baby
But they don't know what you've been through

Trust me I could be the one to treat you like a lady
Then we'll see what's underneath
All I need is you
Let me see babe what's underneath
All I need is you All I need is you She's got a bad reputation
She take's the long way home
