

You Make Me Feel Brand New

No Question

My love, I'll never find the words, my love
To tell you how I feel, my love
Mere words could not explain
Precious love you held my life within your hands
Created everything I am taught me how to live again, again
Only you cared when I needed a friend
Believed in me through thick and thin
This song is for you filled with gratitude and love
God bless you
You make me feel brand new
For God blessed me with you
You make me feel brand new
I sing this song for you
Make me feel brand new
My love, whenever I was insecure
You built me up and made me sure
You gave my pride back to me
Precious friend with you I will always have a friend
Or someone who I can depend
To walk a path that sometimes bends, yeah, yeah, yeah
Without you life has no meaning or [Incomprehensible]
Like notes to a song out of time
How can I repay you for having faith in me?
God bless you
You make me feel brand new
For God blessed me with you
You make me feel brand new
I sing this song for you
You make me feel brand new
