

(I am) The Love Addict

The Lonely Forest

Just when I thought I had nothing
Nothing good to give
You appeared, won my heart
And showed me I must die to live Take my pride
Please remove these selfish thoughts
Save me from the world
I wanna be addicted to love
I wanna be addicted to love A line of white is all my body really needs
The spirit sold for the pain to ease
But I know that this road
It isn't going to bring me peace Give me something new for my soul to use
Something beautiful for my heart to abuse
The drugs are never enough I wanna be addicted to love
I wanna be addicted to love
I wanna be addicted Why are we so loveless?
I'm worried, please hurry
And why are we so loveless?
I'm worried, please take me home I wanna be addicted to love
I wanna be addicted to love
(I want to be)
I wanna be addicted to love
(I want to be) I wanna be addicted to love
(I want to be)
I wanna be addicted to love
(I want to be) I wanna be addicted to love
(I want to be)
I wanna be addicted to love
(I want to be) I wanna be addicted to love
(I want to be)
I wanna be addicted to love
(I want to be) I want to be addicted to love
(Oh, oh, oh)
