

Beautiful Now (feat. Jon Bellion) [Grey Remix]

Zedd

I see what you're wearing, there's nothing beneath it

 Forgive me for staring, forgive me for breathing

 We might not know why, we might not know how

 But baby, tonight, we're beautiful nowWe're beautiful now

 We're beautiful nowWe might not know why, we might not know how

 But baby, tonight, we're beautiful now

 We'll light up the sky, we'll open the clouds

'Cause baby, tonight, we're beautiful now, we're beautifulWe're beautifulWherever it's going, I'm gonna chase
 it

 What's left of this moment, I'm not gonna waste it

 Stranded together, our worlds have collided

 This won't be forever, so why try to fight it?We're beautiful now

 We're beautiful nowWe might not know why, we might not know how

 But baby, tonight, we're beautiful now

 We'll light up the sky, we'll open the clouds

'Cause baby, tonight, we're beautiful now, we're beautifulWe're beautifulLet's live tonight like fireflies
 And one by one light up the sky
 We disappear and pass the crown

 You're beautiful, you're beautifulWe're beautiful now

 We're beautiful now

 We're beautiful now

 We're beautiful nowWe're beautiful

 We're beautiful, we're beautiful now

 We're beautiful now

 We're beautiful now

 We're beautiful now

 We're beautiful now, we're beautiful
