

# Falling Back (feat. MNDR)

Oliver

You took to me to give it up  
I'm telling you to give it up  
I give a little smile  
And you take a mile  
I know what you'll be holding back  
But there's nothing left to hold me back  
I'm at a fall or crash  
Running away too fast  
Cause you know you're pretty persuasive  
Talk is cheap and I'm falling back, falling back  
You're pretty persuasive  
But I won't be falling back, falling back in love  
In love  
Love  
Falling back, falling back in love  
Love  
Love  
I won't be falling back in love  
It feels like we've been here before  
The clothes I'm finding on my floor  
It's so good it's bad  
And I need it bad  
So tell me I'm the only one  
Like you told me I'm the only one  
Cause I might dress bad  
Do it all again  
Cause you know you're pretty persuasive  
Talk is cheap and I'm falling back, falling back  
You're pretty persuasive  
But I won't be falling back, falling back in love  
In love  
Love  
Falling back, falling back in love  
Love  
Love  
I won't be falling back in love
