Phony Love

Nick Roes

PHONY LOVE

Take a good look, her smile is always in place
But when your back is turned, she puts on another face.
She say, â€œIâ€™m not just youâ€™re lover, Iâ€™m your very best friendâ€•.
PHONY LOVE, Strikes again

PHONY LOVE, walks down every street
PHONY LOVE, in everyone you meet
PHONY LOVE, (phony love phony) thatâ€™s all I feel
Somebody show me a love thatâ€™s real

She say, â€œI love you forever babe, my love is so true
Forever and ever, the only one is you.
I love you forever baby,â€• thatâ€™s what she say
But forever donâ€™t last until the end of the day

PHONY LOVE, walks down every street
PHONY LOVE, in everyone you meet
PHONY LOVE, (phony love phony) thatâ€™s all I feel
Somebody show me a love thatâ€™s real

She say, â€œI love you forever babe, my love is so hot
I love you for yourself and not all the things you got.
Itâ€™s you that I love, honey, not all your cashâ€•.
But when youâ€™re down on your luck she sure disappears fast.

PHONY LOVE, walks down every street
PHONY LOVE, in everyone you meet
PHONY LOVE, (phony love phony) thatâ€™s all I feel
Somebody show me a love thatâ€™s real
