

falling out of love

Girlfrendo

I watch the sun, see it rise and fall
Waiting for something to change
I get through the day
Hope to turn things around, seems like
I'm falling out of love
I'm falling out of love
I'm falling out of love
I'm falling out of love
Feeling alone with you by my side
Further and further away
Funny, how long a moment can seem
When you're trying to hold on, feels like

I'm falling out of love
I'm falling out of love
I'm falling out of love
I'm falling out of love
Yeah, I'm falling out of love
I'm falling out of love
I'm falling out of love
Falling out of love
Falling, I'm falling
I'm falling, I'm falling
Falling, I'm falling
