Burning Our Bed

Alice Cooper

Baby, don't you shed a tear for me
And I wouldn't want to waste your time
You talked a lot of trash and you lied to me
But Babe, you never even tried
Ohh oh oh oh
You can hold my heart for ransom
But you'll never own my soulBaby, I might lose my mind
Maybe I might lose my head
One thing I'll never do
Is swallow my pride
Crawlin' back to you
Baby, I'm burnin' our bedThere used to be a time when you were everything
My flame through the night
You got me hot and then you blew me out
Like this match I'm about to light
Ohh oh oh oh
You can tear my heart to pieces
Left me standin' in the coldBaby, I might lose my mind
Maybe I might lose my head
One thing I gotta do
Is torch those sheets
And pillows too
Baby, I'm burnin' our bedWell, I used to think you were so kind
How could I be so blind?
Ohh oh oh oh
I'm free
But I'm aloneMaybe I might lose my mind
(I might lose my mind)
Maybe I might lose my head
(Might lose my head)
One thing I swear to you
You're gonna feel the heat
Before this night is through
Baby, you're burnin' me
Sometimes a man can bleed
Baby, I'm burning our bedBaby, I might lose my mind
(I don't care)
Maybe I might lose my head
(Aw, wouldn't be the first time)

One thing I'll never do
Is swallow my pride
An' crawlin' back to you
Baby, I'm burnin' our bed
