

# Learn To Let Go

Kesha

Been a prisoner o-o-of the past  
Had a bitterness when I looked back  
Was telling everyone it's not that bad  
'Til all my shit hi-hit the fan I know I'm always like  
Telling everybody you don't gotta be a victim  
Life ain't always fair, but Hell is living in resentment  
Choose redemption, your happy ending's up to you I think it's time to practice what I preach  
Exorcise the demons inside me  
Whoa, gotta learn to let it go The past can't haunt me if I don't let it  
Live and learn, and never forget it  
Whoa, gotta learn to let it go  
Had a boogieman under my bed  
Putting crazy thoughts inside my head  
Always whispering, "It's all your fault"  
He was telling me, "No, you're not that strong" I know I'm always like  
Telling everybody you don't have to be a victim  
Life ain't always fair, but Hell is living in resentment  
Choose redemption, your happy ending's up to you So I think it's time to practice what I preach  
Exorcise the demons inside me  
Whoa, gotta learn to let it go The past can't haunt me if I don't let it  
Live and learn, and never forget it  
Whoa, gotta learn to let it go Hey-ey-ey-ey, yeah, hey-ey-ey-ey, yeah  
Learn to let go, learn to let go  
Hey-ey-ey-ey, yeah, hey-ey-ey-ey, yeah  
Learn to let go, learn to let go  
I'm done reliving my bad decisions  
I see now maybe there's a reason  
Why-y-y-y-y I been through Hell and back Yeah, honestly, it's what made me  
Who I am, holding on to wasted ti-i-i-i-i-me  
Gotta learn to let go in life So I think it's time to practice what I preach  
Exorcise the demons inside me  
Whoa, gotta learn to let it go The past can't haunt me if I don't let it  
Live and learn, and never forget it  
Whoa, gotta learn to let it go Hey-ey-ey-ey, yeah, hey-ey-ey-ey, yeah  
Learn to let go, learn to let go  
Hey-ey-ey-ey, yeah, hey-ey-ey-ey, yeah  
Learn to let go, learn to let go
