

# Fall with Me(ft. David Byrne)

Paul van Dyk

Would you fall with me?  
Tumble into lost horizons  
It's a long way down  
To the streets below Now I'm on my way  
If I get an invitation  
I believe  
But you never know I could be happy, no doubt  
I could be crunchy, that's how  
Livin' my daydreams, you know  
Dancin' on tip toes, fo sho Hologram, priestess, success, I guess  
Lingerie, he knows, no clothes, exposed  
Victory, cocktail, telltale, on sale  
Hotter than sunshine, sometime, headlines Would you fall with me?  
We could be so happy, baby  
Would you go my way?  
I believe you do Would you save my life?  
If I set my hair on fire  
Who am I?  
If I only knew Tumblin' backwards, my love  
Heavenly creatures, too much  
Everything changes, the say  
Fresh as a daisy, someday Takin' a road trip, good fit, ain't it  
Send me a postcard, backyard, how far?  
Genuine laughter, faster, blaster  
Suddenly hit me, fit me, tipped me Would you fall with me?  
Tumble into lost horizons  
It's a long way down  
To the streets below Now I'm on my way  
If I get an invitation  
I believe  
But you never know Would you fall with me?  
We could be so happy, baby  
Would you go my way?  
I believe you do would you save my life?  
If I set my hair on fire  
Who am I?  
If I only knew
