

This Guy

Twierps

i can't wonder when you move away
I can't see you in the light of day
so i should give it to another
one not so easy to discover
i let you go, you'll touch the sky, the sky
i'll be down here waiting to die, to die
if you wan't me to
i'll die for youI can't see you in the light of day
so i should give it to another
one not so easy to discover
i let you go, you'll touch the sky, the sky
i'll be down here waiting to die, to die
if you wan't me to
i'll die for you
if you wan't me to
i'll die for you
