Get Lost (Callaway & Rosta Remix)

Icona Pop

I woke up this morning
Blurry eyed
I been working so hard
Stayin' alive
Well, I don't need this shit
No it won't be long
Before I take that money
Money and run
I'm gonna take that money
Money and runLet's get lost
Drive all night
Leave this whole
Fucked up world behind
Let's get lost
Drive all night
Leave this whole
Fucked up world behindI woke up this morning
So destroyed
I been down on my luck
Just feelin' a void
Well I don't need this shit
No it won't be long
Before I take that money
Money and run
I'm gonna take that money
Money and runLet's get lost
Drive all night
Leave this whole
Fucked up world behind
Let's get lost
Drive all night
Leave this whole
Fucked up world behind
