# Pink Balloon

## Star Horse

VERSE I
Sing me a song, buy me a pink balloon
Tell me your dreams, I'll make 'em all come true
You don't have to wait too long, we could set out tomorrow morning

VERSE II
Bring me a kiss, bring me the sun and moon
Maybe some roses,that would be nice, too
And I'll be your favourite girl, and we'll run around the world forever

CHORUS
And we will fall in love forever
And we will fall in love forever
La la laa, la la laa

VERSE III
Out in the rain, we'll find a big elm tree

Sip on champagne, we'll do whatever we please
We'll dance and then we'll lay under the moonlit haze forever

Yeah, yeah, yeah

Chorus
And we will fall in love forever
And we will fall in love forever
La la laa, la la laa, forever
La la laa, la la laa, forever, yeah
La la laa, la la laa, forever
