

We Danced Anyway

Deana Carter

The summer air was heavy and sweet
You and I on a crowded street
There was music everywhere
I can see us there In a happy little foreign town
Where the stars hung upside down
A half a world away
Far, far away I remember you were laughing
We were so in love, we were so in love And the band played
Songs that we had never heard
But we danced anyway
We never understood the words We just sang, oh
La la la
And we danced anyway Well, they say you can't go back
But baby, I don't believe that
Come along with me
Come on and dance with me Well maybe if I hold you close
Baby, we could just let go
Of these things that tie us down
We'll come back around Do you remember? We were laughing
We were so in love, so in love And the band played
Songs that we had never heard
But we danced anyway
We never understood the words We just sang, oh
La la la
And we danced anyway Do you remember? We were laughing
We were so in love, we were so in love And the band played
Songs that we had never heard
But we danced anyway
We never understood the words We just sang, oh
La la la, oh oh
And we danced anyway Oh oh, we were laughing
Oh oh, we danced anyway
Oh oh, we were dancing
Oh oh
