Barnabas

There's someone that I know would like to talk to you
There's someone that I know who gave His life for you
His love is best of all; He'll hear you if you call
The phone's never off the hook in heaven Don't need no operator or assistance line
He's paid the charge; salvation won't cost you a dime
Hey, you can call collect; go ahead and dial direct
The phone's never off the hook in heaven His hotline's always open
He leaves His hotline open, waiting just for you
He'd love for you to call
So go ahead and call, and let His love break through
Long distance rates are great; it's free, no need to wait
The phone's never off the hook in heaven
His love is best of all; He'll hear you if you call
The phone's never off the hook in heaven
