Nick the Stripper

The Birthday Party

Insect, insect, insect, insect, insect, incest, insect, incest, insectNick the stripper
A-hideous to the eye
A-hideous to the eye
Well he's a fat little insect
A fat little insect
A fat little insect
A fat little insect
And oh, here we go againNick the stripper
Dances on all floors
Dances on all floors
He's in his birthday suit
He's in his birthday suit
He's in his birthday suit
He's in his birthday suit
And oh, here we go againNick the stripper
A-hideous to the eye
A-hideous to the eye
Well he's a fat little insect
A fat little insect
A fat little insect
A fat little insect
And oh, here we go againWell he's a fat little insect
A fat little insect
A fat little insect
A fat little insect
Insect
He's in his birthday suit
He's in his birthday suit
He's in his birthday suit
He's in his birthday suitInsect, incest
