

Nick the Stripper

The Birthday Party

Insect, insect, insect, insect, insect, incest, insect, incest, insect Nick the stripper

A-hideous to the eye

A-hideous to the eye

Well he's a fat little insect

A fat little insect

A fat little insect

A fat little insect

And oh, here we go again Nick the stripper

Dances on all floors

Dances on all floors

He's in his birthday suit

And oh, here we go again Nick the stripper

A-hideous to the eye

A-hideous to the eye

Well he's a fat little insect

A fat little insect

A fat little insect

A fat little insect

And oh, here we go again Well he's a fat little insect

A fat little insect

A fat little insect

A fat little insect

Insect

He's in his birthday suit

He's in his birthday suit

He's in his birthday suit

He's in his birthday suit Insect, incest
