Cavalries

Mutemath

La, la, la, la, la
La, la, la, la, la
La, la, la, la, la
La, la, la, la, la

Troubled waters, showboat martyr's fall
Overbooked cavalries avoiding everyone's call

Stand on your own, your own
Every chance you take, you own, you own, you own, you own

La, la, la, la, la
La, la, la, la, la

Haven't you suffered enough
On the straight and narrow
Stand on your own

Stand on your own
Every chance you take, you own, you own

La, la, la, la, la
La, la, la, la, la
La, la, la, la, la
La, la, la, la, la
