Someday

[Robyn Ludwick](#)

Someday I'm gonna leave this town
My little boy and me ain't ever gonna turn around
For now we fall down
You better watch out
Or you'll fall down to the ground

When I was a baby
We followed the army
I married my sweetheart
He said he'd be back for me
Now we fall down
You better watch out
Or you'll fall down to the ground
You better watch out
Or you'll fall down to the ground

And I gotta know if you're fallin' for me baby
And I wanna know if you want me to be your baby
And I gotta know if you'll be my honey now
Yeah right now

Well I fell down and you picked me up
Hey I needed your love
Baby it wasn't enough for me now
We fall down
You better watch out
Or you'll fall down to the ground

And I gotta know if you're falling for me baby
And I wanna know if you want me to be your baby
And I gotta know if you're my sugar now
Yeah right now

Someday babe I'm goin' find me a man
Who's gonna want me and love me the way that I am
And I'll borrow his love till I just can't see
The way he don't feel when he's holdin' me

Instead of just fallin'
I wish he was fallin' for me

Yeah yeah
Fallinâ€™ for me
Yeah Yeah

Someday Iâ€™m gonna leave this town
My little boy and me ainâ€™t ever gonna turn around
For now we fall down
You better watch out
Or you'll fall down to the ground
