

Exhale (shoop Shoop)

Babyface

Everyone fall in love sometime
And sometimes it's wrong and sometimes it's right
But for every for every every every win
Someone someone someone must fail
But there comes a point when when you exhale
Shoop shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Hearts are often broken when there are words unspoken
In your soul there's answers to your prayers
If you're searching for a place you know
A familiar face some where to go
You should search inside yourself when you're halfway there
Sometimes you'll laugh and sometimes you cry
Life never tells us the hows or whys
But when you've got friends to wish you well
You'll find your point when you will exhale
Shoop shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doo
