

# Love Will

## Suburban Kids with Biblical Names

### Intro

Ladies, if you out there  
I just wanna talk to you  
About all the ups and downs,  
rounds and rounds.

The drama, the trouble that love put us through.

Now I know some of yall out there  
came out here with your man  
But if you've ever been love,  
been through what i've been through..

Then i gotta a question for you.....

### Verse 1

Who will give you the world today?

Who will tell you everything's okay?

Say all the things that you wanna hear?

Who will take away all of your doubts and fears?

Who will promise you the moon and stars?

Vow to never ever break your heart?

Who will tap into your very soul and turn right around and be so cold?

### Chorus

Love Will (3x)

Have you up and down all around in circles.

Love Will (3x)

Let you in. Turn around. Put you down in the cold.

### Verse 2

Who will say some of the sweetest things?

Have you believing in all your dreams?

And who will open the every door that will have you feel like the world is yours?

Who will give you butterflies?

And give you chills from your feet to head?

Who will make you feel so alive?

Then turn right around and kill your love?

Love Will (3x)

Have you up and down all around in circles.

Love Will (3x)

Let you in. Turn around. Put you down in the cold

Give me good, give me bad, give me dangerous

Make me happy, make me sad, be a stranger

Break you all the way down til your sick  
Im telling you if you let it..  
it will have you doing some crazy things.

Chorus
